9. California Code of Regulations, title 16, section 1443, states:

10. California Code of Regulations, title 16, section 1443.5 states:

- "(4) Delegates tasks to subordinates based on the legal scopes of practice of the subordinates and on the preparation and capability needed in the tasks to be delegated, and effectively supervises nursing care being given by subordinates.
- "(5) Evaluates the effectiveness of the care plan through observation of the client's physical condition and behavior, signs and symptoms of illness, and reactions to treatment and through communication with the client and health team members, and modifies the plan as needed.

STATEMENT OF FACTS

At all relevant times, Respondent was employed as a registered nurse in a clinic at Pelican Bay State Prison ("PBSP"), Crescent City, California.

Patient A:

13. On or about February 2, 2009, Respondent triaged Patient A, who complained of moderate pain from a left-sided inguinal hernia. Respondent attempted and failed to reduce the inguinal hernia. She referred Patient A for a routine follow-up appointment but failed to schedule the return appointment. On February 23, 2009, Patient A returned to the PBSP clinic. He was then observed by a nurse-practitioner to have an enlarged left testicle that required immediate medical intervention.

Patient B:

On or about January 14, 2009, Respondent triaged Patient B who complained of moderately severe right wrist pain from an athletic injury that he sustained six (6) weeks earlier. Respondent noted that he had severe pain with rotation of the wrist. She did not refer Patient B for an x-ray and/or for evaluation by a physician. Respondent scheduled Patient B for a routine follow-up appointment. Patient B was seen again by Respondent two weeks later on January 28, 2009, for complaints of increased pain to his wrist. Respondent scheduled Patient B with a routine follow-up appointment. On February 27, 2009, Patient B was seen in the urgent care clinic and was diagnosed as having a right navicular fracture, with a poor prognosis for a full recovery in part due to a delayed diagnosis.

Patient C:

15. On or about March 20, 2009, Patient C was prescribed Albuterol NFA Inhaler for his asthma. On the evening of April 22, 2009, Patient C advised Respondent that his inhaler was empty and requested that it be replaced. Respondent did not provide Patient C with a refill of his inhaler and/or did not refer him for a higher level of care. The next morning on April 23, 2009, Patient C presented to the clinic in acute respiratory distress.

FIRST CAUSE FOR DISCIPLINE

16. Respondent is subject to discipline for incompetence pursuant to Code section 2761(a)(1), as defined in the Code of Regulations, title 16, section 1443.5, in that she failed to promptly refer Patient A for an medical appointment given his level of pain and examination findings of a non-reducible inguinal hernia. The facts in support of this cause for discipline are set forth above in paragraph 13.

SECOND CAUSE FOR DISCIPLINE

(Incompetence – Failure to Promptly Refer Patient B [Wrist Injury]

for Medical Evaluation)

17. Respondent is subject to discipline for incompetence pursuant to Code section 2761(a)(1), as defined in the Code of Regulations, title 16, section 1443.5, in that she failed to refer Patient B for an x-ray and/or failed to promptly refer him to a medical provider given his presentation with signs and symptoms suggestive of a wrist fracture. The facts in support of this cause for discipline are set forth above in paragraph 14.

THIRD CAUSE FOR DISCIPLINE

(Gross Negligence -- Failure to Provide Asthma Medication)

18. Respondent is subject to discipline for gross negligence pursuant to Code section 2761(a)(1), as defined in California Code of Regulations, title 16, Section 1442, in that she failed to provide Patient C with a needed refill of the asthma medication Albuterol and/or immediate referral for a medical evaluation. Said omissions resulted in Patient C experiencing acute respiratory distress, a potentially life threatening emergency. The facts in support of this cause for discipline are set forth above in paragraph 15.
